#### Races-Sixth Day-Saturday.

By far the largest crowd of the week assembled on Saturday to witness the contest between Little Arthur and Whirlwind.

By the summary below it will be perceived the Georgia horse was again winner making the first heat in the quickest time ever made over the Nashville Course.

W. S. Cheatham, s g. c. Little Arthur, by Glencoe, . . . . . . . . . . . . . . . . . 2 : Time 3;45; 3.501.

A saddle horse race, mile out for a \$50 purse, proved a quite interesting and amusing finale to the week's racing.

It was won in 1.47 by an Emne colt Orphan

John A. Jordan and the Messrs, Bouglass, and within three miles of the Little Rock and Napoleon Railroad, which is in progress and will be completed in less than two years.

To-day the races commence over Roundtree's Walnut Course. From the horses enter- THOMAS II. ALLEN, Memphis. ed in the two mile stake it will well repay the attendance.

The Washington Union says there is no truth in a report published in some of the man suc Child, one Horse and Wagon, two Cows and Calves, and all the Household and Kitchen Furniture, and all other Northern papers, that President Pierce has purchased a place for his future residence in Maryland, or any where else.

Kate Hays, the distinguished operatic singer, is said to have realized \$80,000 by her BENNETT AND HIS TIMES, recent Australian tour.

CARRYING OUT THE PRINCIPLES OF THE PARTY .-E. D. Farnesworth has been removed from the office of local inspector of steamboat hulls at Nashville. The office is worth about \$400 per year .-Cause of removal, voting the American ticket at the last election. There are some things too little even to talk about. The present administration at Washington is one of them. And yet the land is filled with hatchet-headed writers who do nothing but laud it. They are still smaller than the administration, as such littleness may seem .- Athens

ACCIDENTS .- We regret to state that Dr. W. C. Cox, of this place, was thrown from his horse on Friday evening last and had his collar bone broken, by the fall. He is doing very well. On Saturday evenir g, just before night, as our

NOW LANDING-440 bags Prime Baltimore Coffee; friend Mr. John W. Hodge, who resides about two miles east of town was on his way home, his horse took fright between the end of Main Street and the IUST RECEIVEDbridge, and threw him, severely, and as it was then supposed, fatally injuring him. He was taken up and carried to the residence of Dr. D. B. Cliffe, where he has since received every attention that kindness can bestow. He is we are glad to learn, thought to be a little better, though his condition N STOREis still a very critical one.

One evening last week, a negro man belonging to our friend Capt. Patrick Reese, was thrown from a horse, and had his thigh so badly broken, that the bone protruded through the skin .- Franklin Review, 21st.
